Discounts, Terms & Commissions

Advertising must be inserted within one year of the first insertion to earn frequency discounts. Rates are based on total number of insertions or issues used. Multiple units of space in one issue may be used to earn frequency discounts: 2-page spreads are counted as two units for purposes of determining frequency. Unfilled contracts incur a short rate to the next higher earned rate. Rate holder — minimum rate holder is one-third page.

- a) Commission to recognized agencies — 15% if invoice is paid within 30 days from date of invoice. Past due accounts charged interest.
- b) In the event the advertiser or agency shall fail to remit payment in full within 30 days from date of invoice, the publisher shall be entitled to recover its reasonable attorneys' fees and all court costs incurred in the event litigation shall be necessary to collect the same.
- c) Placement of an order by an agency will signify the agreement by the agency to pay for all charges incurred, even if we are requested to bill advertiser, or another, directly. Any statements or claims to the contrary in any order or correspondence are and will be specifically rejected. In the event payment is not remitted in full within 30 days of the invoice date: 1) interest on all unpaid balances will accrue at the rate of 1 ½% per month, or where said rate is in excess of the maximum legal rate of interest, at the maximum legal rate; and 2) the publisher shall be entitled to recover its reasonable attorneys' fees and court costs, if any incurred in the collection of any unpaid balances, whether suit be brought or not.
